

# SUPPORT

Strengthen homosexual & transgender refugees.

Study German  
in a small group with  
highly motivated  
teachers!

## German courses at the Lesben- und Schwulenverband

Start: 16th of January 2017

The project "SUPPORT – strengthen gay and trans refugees" wants to support lesbian, gay, bisexual and transgender refugees in their everyday life. We want to offer LGBT refugees the possibility of studying German in a safe space, without fear of discrimination based on their sexual orientation or identity.

Learning German helps to create security in the new environment.

Beginning January 16, 2017, we will offer **free A1-A1.2 German courses** in a safe space in Schöneberg.
