

Your favourite family picture on a rainbow family poster!

Families are diverse – even though it is often not that visible in society. In many day-care centres and other family facilities, pictures and posters show only *white* cis hetero father-mother-child-families. We would like to change that!

That is why we are looking for your personal favourite family picture: No matter how many family members, in the middle of nature or kitchen chaos, with recognizable faces or rather not, professional photos or snapshot – the important thing is that it's your family!

From all these rainbow family pictures we are making one poster titled "Familienvielfalt willkommen!" (translation: Welcome family diversity) which will be distributed to day-care centres and family centres free of charge.

Would you like to participate?

Wonderful! Send your favourite picture to konsultation@regenbogenfamilien.de along with the consent form.

What's in it for you?

- You help to broaden the view of families in the facilities
- Of course you will get a poster for you at home and/or your kindergarden, school, family centre around the corner...

Do you have any questions? Please feel free to contact Saskia under +49 30 89 37 80 65 or by e-mail to konsultation@regenbogenfamilien.de
