**MENTORING PROGRAM
FOR QUEER REFUGEES**

Through our mentoring program you can get support and help from a volunteer mentor. Together you can cope with administrative appointments, learn German and make connections. You can take part in various activities and get to know other mentees and mentors.

If you want to participate or require further information, just send us an email at engagement.berlin@lsvd.de or call us at: **030 22502215**

MILES supports LGBTIQ refugees and LGBTIQ migrants through psychosocial consultation and legal counseling. Furthermore, we have an empowermentgroup for lesbian and bisexual women, trans* and inter* refugees and migrants.
